Spring is finally here!

It's time to spring into a fresh edition of the Bunzl Business Insider

In this edition, our industry snap shots will help you upgrade your click-and-collect grocery, take a look at the do's and don'ts of donning and removing face masks, help you design an effective school cleaning program, reduce the risk of outbreaks in warehousing and more!

Enjoy the Spring edition. And please, stay healthy and safe.

Looking Ahead

A message from John

As the summer approaches, Bunzl Canada employees, customers and supplier partners may share "pandemic fatigue," but we're proud to continue to work together to keep our essential businesses running. Like you, we're looking ahead to better days – and they're in sight, as vaccination rollouts accelerate across the country.
