Brrrrrr!!

Dust off that flannel and break out the mittens!

A change of season with colder weather means it's time for news, insights and innovation from the *Bunzl Business Insider*. In this edition, our industry snap shots highlight innovative solutions to supply chain challenges, the next big thing in flexible packaging, first-to-market sustainable innovations and how to build a culture of safety in your facility.

Enjoy this Fall/Winter edition, hot chocolate optional, and please - stay healthy and safe!

Looking Ahead

A message from John

As the year draws to a close, the team at Bunzl Canada is hard at work planning for 2022 to ensure we're well-positioned to meet your needs. In the year ahead, we'll continue to grow our digital capabilities, develop tools to support a greener future and continue to do everything we can to help our teams and our customers stay healthy and safe.
